Place sides of loop side by side and sew across the base of these ribbons at the 4" mark for the tail. Continue in this manner making 1" loops and basting across their base until 8 loops are formed. (Please note; the remaining tail will not be 4", but 3" long.) Pull basting thread tightly until all the loops come together into a bow. Tack base of bow together. Tack formed bow to the center top of the train, 3rd row of red dc crochet down. Arrange the loops and tails of the bow across the top of the vest's ruffle being careful to cover looped ribbon ends.
